

# Have you had surgery for **GASTRIC CANCER?**

We are looking for **patients** willing to **share their experiences** of gastric cancer surgery, so that doctors and researchers can **better understand the priorities of patients** they are treating.

## **What will it involve?**

A member of our team will organise a single interview lasting between 30 minutes and an hour, where you will have the chance to talk about your experiences.

## **Where will it happen?**

You will have the option of a face-to-face meeting in Manchester, a visit to your home or alternatively a conversation over the telephone. Any travel expenses will be paid for.

If you are interested in taking part and would like more information, please contact us on:
